

“I never knew abortion had a cost...”

The truth is you didn't realize what areas of your life would be **affected** by the abortion.

Pregnancy loss due to abortion takes a huge toll on the **mental, physical & spiritual health of women.**

Whether 'it' happened recently or years ago, shame, guilt, and regret plague the mind.

HEART provides recovery from pregnancy loss due to abortion.

*Using a recovery study guide, Forgiven and Set Free, we look to God and what He promises us; **healing and wholeness can return.***

Through a group process we will look at:

<i>The pregnancies</i>	<i>Forgiveness</i>
<i>Abortion decisions</i>	<i>Depression</i>
<i>Guilt</i>	<i>Acceptance</i>
<i>Anger</i>	<i>Freedom</i>
<i>Where is God in all this?</i>	

HEART groups begin February, 2011.

Location, dates and times are provided to registered participants only.
