As leaders in the Cincinnati community, we are in a season of re-building and expected growth. Now, more than ever there is a need to continue the work of encouraging, supporting and helping people process what has happened over the past year. We can finally begin to raise the voices of individuals who have faced job loss, isolation, and lack of resources. Oftentimes, it is the women in our community who so often go without much needed personal care while living sacrificially for their families and others.

Eve Center (a 5013C organization) designs and delivers programs aimed at solving real-world struggles that the women in our community face every day through no-cost, safe, confidential, faith-based peer counseling and training. We support every woman who comes across our doorstep through difficult times modeling the following:

***Praise be to the God and Father of our Lord Jesus Christ, the Father of compassion and the God of all comfort, who comforts us in all our troubles, so that we can comfort those in any trouble with the comfort we ourselves receive from God. For just as we share abundantly in the sufferings of Christ, so also our comfort abounds through Christ. -2 Corinthians 1:3-5***

***Though one may be overpowered, two can defend themselves. A cord of three strands is not quickly broken. - Ecclesiastes 4:12.***

Our peer counseling and training allows women to get the care they need and is at no cost to them -ever! Women who have trauma from sexual abuse, dysfunctional relationships, eating disorders, experiencing grief from loss, anxiety from their circumstances, depression and more find the Eve Center and supported fully as we walk alongside them in their pain, loving them and

encouraging them to heal deep within. Our efforts reach their maximum effectiveness when we have the backing of our entire community to allow us to be sustainable with increased demand for our services. We need your support!

Each year we host our biggest community fundraising event - Voice of Victory 2021 - on Friday, November 12th, 2021!

We are asking you to join our mission by becoming an event sponsor and attending the event (if you choose) to gain awareness of all we do. Gaining these commitments upfront allows us to bring in secured funding for what we hope to be the best Voice of Victory yet. We are beyond excited to welcome Voice of Victory back post-Covid and expect the experience to be larger than ever. Would you be willing to join us and make a significant impact in Greater Cincinnati?

I look forward to hearing from you soon. Thank you in advance for the opportunity to share more about us and for consideration for support! **Please note that all sponsorship commitments must be finalized by September 13 for full marketing benefit.**

Sincerely,

Crystal Swift
